TIME: Saturday, September 21, 1963. Show at 8:45 A.M., Sale at 11:45 A.M. Sharp.

LOCATION: The sale will be held in the sales pavilion at Hawkeye Downs, Cedar Rapids, Iowa, on U.S. 30 and U.S. 218. Paved roads between Cedar Rapids and the airport.

LUNCH: Will be served on the grounds.

1. The auctioneer will settle any disputes as to bids.
2. Terms: Cash, unless arranged before the sale between seller and buyer and clerk so notified.
3. Guarantee: All cattle are sold subject to a sixty day retest for Tuberculosis if kept isolated, unless going into a Federal Accredited Herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for Tuberculosis unless they come from an accredited herd. The cattle have been tested for Bang's within 30 days or are calfhood vaccinated following a clean test unless otherwise stated. Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller and if after a test in the seller's herd he still fails to breed he will be replaced or the purchase money be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of sale are guaranteed to be breeders. Heifers should not be served by heavy or old bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at the buyer's cost of transportation. The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot.
4. The Sale Manager and Clerk act only as agents for the several consignors to the sale, making collections for the account of each consignor and they do not assume any responsibility for the above breeding guarantee.
5. Your sale manager liked a feature at the Perth, Scotland, sale in 1960. The seller stood near the auction block. He could state a "Reserve Bid" or have the auctioneer announce "No Sale". We will follow that practice. In case of a "No Sale", the seller pays the regular prorata sale expense but there will not be any manager's fee. However, if any animals are "By-Bid", there will be due the manager's 2% fee.
6. A Certificate of Registry and signed transfer will be furnished for each lot sold and an application for registry will be furnished, for each calf sold at foot.
7. We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.
8. Mail Bids: Those wishing to buy at this sale and who cannot attend may send their bids to the auctioneer, sale manager, or special representatives.
9. Auctioneer: J. E. Halsey, Des Moines.

PROSPECTIVE CHAMPION SHORTHORN STEERS SELL IN THE 1963 HAWKEYE DOWNS 4H AND FFA STEER CALF SALE AT 11:45 A.M.

Since the early inception of the Hawkeye Downs Shorthorn sales we have endeavored to provide good Shorthorn and Polled Shorthorn steer and heifer calves for 4H and FFA Club work. The number available has been increasing over the years while the sale manager has tried to emphasize to the sellers that we want higher quality calves for each succeeding sale.

At the time of going to press the following breeders have indicated steer calves for sale.

Lloyd Burr & Son, Lone Tree	2	Gary Braet, Calamus.	5
Mrs. Sarah Dixon & Son, Fayette . . .	1	Carl Frick & Sons, Stockton	2
Donald K. Johnson, Iowa City.	2-3	Delmar Kohl, Lisbon	2
Leland Kellogg & Sons, Colorado . . .	5	Gary Lichty, LaPorte City	1
Gary Moothart, Rt. 4, Fairfield	1	E. C. Mohl, Lost Nation	5
E. T. Morris & Sons, Aledo, Ill.	5	M. R. Maurer & Son, Manchester . . .	some
Hubert McElhinney, Morning Sun . . .	1	Dale Petty, Eldora	5
Fred Nichol, Clemons	1-2	Ralph C. Stirm, Brandon	2
Otis Rothlisberger, Elgin.	2		

A few notes relative to the breeding of some of these calves:

LLOYD BURR & SON'S Club steers have been right at the top in selling. Usually sired by their fine breeding bull, Louada Barbarian.

GARY BRAET'S calves will be sired by a son of an International Grand Champion Polled Shorthorn bull.

DONALD JOHNSON'S calves are always among the tops. One of his calves is from the same dam as our record selling calf in 1961 sale. His calves have been overall champion at Johnson Co. Fair, reserve overall champion at Oskaloosa and 2nd prize Junior Yearling in Open Class at American Royal.

GARY LICHTY'S calf is full brother to a top calf sold by Ralph Stirm last year.

LELAND KELLOGG & SON'S calves are sired by Claymore Finance, champion at 1958 South Dakota State Fair and champion sale bull at Denver, 1959. He has sired several county champion steers and heifers and champion FFA heifer at 1962 Iowa State Fair.

OTIS ROTH LISBERGER - His Susanna Basis calves have always been attractions in our sales. He sells one by same sire and one by a son of Scottsdale Kinross.

SARAH DIXON & SONS sell a calf by Susanna Basis.

ROBERT RAISBECK sells a calf by Marellbar Rotarian, a bull that made a fine record in an Illinois herd.

PLEASE NOTE THE LAST SIX PEDIGREES, LOTS 68 to 73, FOR CLUB HEIFERS. It is also possible that some 1963 calves will be sold off to their dams that will be suitable for Club work.

K A GRENADIER - In order to make our consignment complete and of top caliber we're consigning this son of Rothney Justinian. His dam is one of the best daughters of Scotsdale Kinross, she is a heavy milker, however, her calves continue to do well after weaning. Grenadier weighed 1300 lbs. when he was 17 months old making an average daily gain since birth of 2.4 lbs. per day. He is lowset, deep, and thick. You will like both ends of him. He also has three crosses of Calrossie, Welcome breeding.

A SUGGESTION: Why not buy one of these real good bulls and then select a group of these females in this sale and initiate a valuable beef producing unit on your farm?
